

CALL FOR PRESENTATIONS!

Annual Michigan Peer Conference

April 22nd & 23rd

Vibe Credit Union Showplace

46100 Grand River Ave. Novi, MI 48374

**SUBMISSION DEADLINE: Monday, December 14th,
2026**

Conference Goals:

- Promote and advance statewide collaboration, partnerships, and connections in Michigan's Peer Workforce
- Expand creative and effective peer led wellness tools.
- Broaden awareness, access, and information that supports self-advocacy and social justice.
- Highlight best, promising and evidence-based practices for working with diverse populations.
- Increase awareness, knowledge, and skills in multiple pathways to recovery.

Successful proposals will include clear learning objectives, incorporate conference goals, and include person(s) with lived experience leading and/or co-leading the presentation.

Due to limited number of spaces available, only one workshop per individual may be considered. Up to two presenters will receive one complimentary conference registration for the day of their presentation.

Instructions

Complete the form below and submit to the MiPeers website at <https://mipeers.org/presenter-application/>. The person identified as the main presenter on the application will be notified by email of acceptance or denial. This person and their contact information must reflect what is submitted to the application portal.

- **Thursday April 22:** Workshop Sessions – Multiple Times Available
 - 1.5 hours of instruction, no session breaks
- **Friday April 23:** Workshop Sessions – Multiple Times Available
 - 1.5 hours of instruction, no session breaks

Presentations are expected to fully meet the full length of the 1.5-hour workshop session.

CONTINUING EDUCATION:

The annual peer conference aims to provide the peer workforce with opportunities to receive continuing education credits. In crafting seminars and workshops, please follow the MDHHS CE eligibility criteria outlined below.

- Integrated health and wellness skills
- Ethics
- Evidence-based practices for CPSS/CPRC roles and responsibilities
- Multiple pathways to and of recovery
- Other; (must demonstrate alignment with recovery values and peer roles)

Audio Visual:

Every session will be equipped with the following:

- Lapel
- Microphone
- Podium
- Screen/Projector
- HDMI Cord

Presenters are responsible for bringing their own laptop for their presentation. We also strongly recommend that each presentation includes a slide deck to support and enhance the session content.
